

CHATEAU DIANA WINERY

Passionate About Our Wines Black Oak Wines of California

Winemaker Dawne Sacchetti creates consumer friendly wines while retaining her individual style. These wines are incredibly aromatic with a heavy fruit profile. Each wine is full of body and possesses great structure.

Black Oak sets itself off from other entry-level brands by:

- Packaging – bright bold colors draw attention to the label so they stand out on the shelf. Each wine bottled and corked in glass specific to the varietal.
- Quality – wines blended to be ideal food wines and all hold a well defined start, middle and finish.
- Variety – nine varietals plus a Brut Cuvée offer wide choices, many of which are not available under competitive brands.
- Development – continual addition of varietals to respond to market trends.
- Value – Black Oak has remained competitive, delivering quality wines at a value price.

1221 CABERNET CUVÉE

1221 Sonoma County/Napa County Wine

The 1221 Cabernet Cuvée is an artful blending of distinguished Sonoma and Napa County wines. The final blend features Cabernet Sauvignon highlighted with a touch of Cabernet Franc for balance and style. The resulting wine is fruit dominant on the nose, ripe and brambly.

A unique addition to Premium brands:

- Blend – unusual unification of wines from two extraordinary grape growing counties – Sonoma and Napa.
- Aged in both French and American Oak barrels.
- Limited production of 1221 cases in the premier run.
- Taste profile of a more expensive wine.
- Regal packaging attracts customers looking for a high end wine.
- Appeal to divergent consumers – Novices love the easy flavor. Seasoned Cabernet enthusiasts appreciate the value.
