

Dolce Vita Italy Sparkling Moscato

Tasting Notes:

The Dolce Vita Moscato is a sweet and spritzy Sparkling wine. The bouquet is fragrant with heady perfume that is almost dizzying in its effect with the essence of honey and nectarine. The flavors portray lots of pear, more honey and nectarine, with lots of apricots and a hint of green apple. The finish is fancy and sophisticated with bubbles that linger forever.

Food Pairings:

The Dolce Vita Moscato is delectable all on its own while lounging on the patio, or with sweet desserts that are highlighted by tangy fruits.
