

## Protest Sonoma County Red Blend Aged in Rye Whiskey Barrels

### *TASTING NOTES:*

The Rye Whiskey aromas are uniquely subtle and meld well with the silky, dense fruit. There are hints of cigar box and fresh leaf tobacco. The intense, dusty black fruit flavors have a warm intermingling with the Rye Whiskey flavors. There are deep layers of Cassis, Smoked Plum, Coconut and Mocha Coffee. A perfect combination of aromas and flavors intertwine into a unique expression of Red Wine blending. It invokes a pleasantly pipe smoke-filled room with old classic novels lying about.
