

Black Oak

California Chardonnay

Tasting Notes:

This California Chardonnay is a brilliant green-gold in the light. There are deep scents of peach orchard and vanilla on the nose. The flavors are layered with juicy apricot, meyer lemon, and marzipan. It has a soft, round mouthfeel with light hints of toasty oak in the background.

Food Pairings:

Pair perfectly with lighter entrées like roasted chicken with lemon zest to balance with the citrus notes of the wine.
